Annual Financial Report to the Membership

Revenues

Employer and member contributions, as well as income from investments, provide the reserves necessary to finance retirement and related benefits.

For fiscal year 1998 (FY98), these revenue sources totaled \$81.7 million—a 10.2% increase from fiscal year 1997 (FY97). All three major sources of revenue experienced increases, with the single largest increase in investment income up 10.7%, or \$5.3 million. The increase in employer contributions was approximately \$1.9 million (13.9%), and contributions from participants increased by \$.3 million (3.2%).

Expenses

The primary expense of any retirement system is the payment of benefits. These payments, combined with refunds of contributions and administrative expenses, make up the total expenses for the Judges' Retirement System (JRS).

Expenses for FY98 were 7.9% above those of FY97. This change was largely due to a growth in the number of benefits paid, an increase in the average benefit payment, and annual annuity increases granted at the beginning of each calendar year.

Investments

JRS investments are managed by the Illinois State Board of Investment (ISBI) and maintained in the ISBI Commingled Fund (ISBI Fund). The ISBI, an independent state agency, also manages investments for the General Assembly and the State Employees' Retirement Systems.

FY98 had a slight decline from FY97 in terms of net return on assets. However, investments in U. S. stocks, bonds, limited partnerships, and real estate still had very strong returns.

The ISBI Fund earned a total rate of return of 18.1%. This is well above the ISBI Fund's long-term objective of earning 4.5% above the inflation rate, and at least equaling the 8.0% actuarial interest assumption.

JRS Receives Certificate of Achievement

The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to the Judges' Retirement System (JRS) for its comprehensive annual financial report for the fiscal year ended June 30, 1997. JRS has received this award for nine consecutive years.

The Certificate of Achievement is a prestigious national award recognizing conformance with the highest standards for preparation of state and local government financial reports. In order to be awarded a Certificate of Achievement, a government unit must publish an easily-readable, efficiently-organized, comprehensive annual financial report while conforming to program standards.

ANNUAL REPORT (continued from page 1)

Funding Progress

A retirement system's financial strength or weakness can be determined over time by analyzing the funding ratio. Generally, the higher this percentage, the greater the level of a retirement system's financial integrity.

As of June 30, 1998, JRS had a funding ratio—net assets divided by pension benefit obligations—of 47.7%, which is an increase from the June 30, 1997 funding ratio of 44.7%.

Economic Condition and Outlook

The passage of funding legislation in 1994 is helping JRS attain a targeted funding ratio of 90% by the year 2045.

The funding legislation also provides for yearly appropriations of employer contributions to JRS. This removes the appropriation of these funds from the annual budget.

Although long-term in nature, we believe this legislation is an extremely positive step forward, ensuring the long-term financial integrity of JRS.

Legislation Update

There was no legislation affecting the Judge's Retirement System during the fall veto session. We will report on any relevant legislation introduced during the spring legislative session in the August edition of *The Pand*.

Federal Income Tax Withholding Notice

Monthly JRS benefits are subject to federal income tax withholding. Federal law requires us to notify benefit recipients who must decide whether they want federal income tax withheld from their retirement benefit.

If a member fails to inform JRS of their decision, federal income taxes will be withheld as a married individual with three exemptions. No withholding is taken on a benefit of less than \$1,213 per month, unless requested.

Penalties may be incurred if you do not withhold income taxes and your estimated tax payment is insufficient for the year.

If your request is on file with

JRS, it will stay the same, unless you request a change. You may notify us at any time to change or end your withholding. Each year JRS will notify members through **The Pand** of any changes in federal tax laws affecting your withholding.

Annuitants & Survivor Statements

JRS will be mailing the annuitant & survivor annual statements in March. The statement details benefits that are currently being received, beneficiaries for death benefits and group insurance, and other important information.

If you wish to change your beneficiary, contact us or fill out the form on the next page. These changes will then be included in your upcoming statement.

JRS Workshops

Pre-Retirement

During this fiscal year, JRS held four Education for Tomorrow's Choices (ETC) preretirement workshops. The attendance was remarkable, and many participants went away enthusiastic with the information they received.

The final ETC for this fiscal year will be held May 6 in Chicago. During this free, one-day workshop a certified financial planner will show you various ways to a financially sound retirement. Expert speakers also discuss your JRS benefits, Group Insurance,

Deferred Compensation, Social Security, and other issues.

Post-Retirement

Myths and Realities of Retirement (MRR) is a free, one-day workshop to answer your questions post-retirement. The MRR runs from 9 a.m. until 3:30 p.m.

The schedule for this fiscal year is April 28 in Utica and May 28 in Chicago. If you are interested in attending either the pre- or post-retirement workshops, call JRS at 217/782-8500.
